Budd Lake, NJ

I was rescued from my dad and stepmom in an extremely abusive household in March of 2023 so I haven't had the chance to pursue my dream of being an actress until now. I currently live with my boyfriend Elliott and his parents in our apartment in Budd Lake, NJ. I have been working on healing from the trauma from the sexual and physical abuse that I unfortunately endured since I was 11 years old and I am looking to move forward with my life. I hope to help others through my acting and art as this has always been my strongest desire as well as something that makes me feel free and closer to happiness.

Thank you!
